SYNOPSIS

DOWNLOAD From critically acclaimed author Alice Oseman comes a smartly crafted contemporary YA novel, perfect for readers who love Rainbow Rowell's Fangirl. This is an utterly captivating and authentic

teen novel from the author of *Solitaire*, which VOYA said "could put her among the great young adult fiction authors." Frances Janvier spends most of her time studying. Everyone knows Aled Last as that quiet boy who gets straight As. You probably think that they are going to fall in love or something. Since he is a boy and she is a girl. They don't. They make a podcast. In a world determined to shut them up, knock them down, and set them on a cookie cutter life path, Frances and Aled struggle to find their voices over the course of one life-changing year. Will they have the courage to show everyone who they really are? Or will they be met with radio silence? *Radio Silence* **popular book online top (hyyjui0986u7676)**
