by Cassandra Clare

SYNOPSIS

The second installment of the graphic novel adaptation of Cassandra Clare's bestselling fantasy series The Mortal Instruments! Having her best friend, Simon, kidnapped and being attacked by the vampires already seemed too much for Clary to handle. But when she realizes her hidden power and that leads her to what she has been searching for, the truth exposed might be something that she absolutely cannot accept... Cassandra Jean's fluid art brings this second volume to life, packed with action and drama, and of course, never-seen-before scenes!
