Goodbye Winter, Hello Spring
by Kenard Pak

SYNOPSIS

In a simple, cheerful conversation with nature, a young boy observes how the season changes from winter to spring in Kenard Pak's *Goodbye Winter, Hello Spring*. As days stretch longer, animals creep out from their warm dens, and green begins to grow again, everyone knows--spring is on its way! Join a boy and his dog as they explore nature and take a stroll through the countryside, greeting all the signs of the coming season. In a series of conversations with everything from the melting brook to chirping birds, they say goodbye to winter and welcome the lushness of spring.
