An aerial, top-down view of a diverse group of people of various ages and ethnicities walking or standing on a dark, paved surface. The people are scattered across the frame, with some in small groups and others alone. The lighting is bright, casting soft shadows. The overall scene suggests a public gathering or a busy urban area.

Handbook of Applied Behavior Analysis
by Wayne W. Fisher

SYNOPSIS

Describing the state of the science of applied behavior analysis (ABA), this comprehensive handbook provides detailed information about theory, research, and intervention. The contributors are leading ABA authorities who present best practices in behavioral assessment and demonstrate evidence-based strategies for supporting positive behaviors and reducing problem behaviors. Conceptual, empirical, and procedural building blocks of ABA are reviewed and specific applications described in education, autism treatment, safety skills for children, and other areas. The volume also addresses crucial professional and ethical issues, making it a complete reference and training tool for ABA practitioners and students.
