**SYNOPSIS**

You are holding my heart in your hands. My emotions have bled out on each and every page with the ink of my pen. Your eyes will discover my soul. Your fingers casually flipping through my mind. I hope you find each delicate word as captivating as the stars. And I hope a piece of you feels the things I felt when creating this art. - 2:00 am This modern poetry book is an exploration of love, heartache, relationships, loss, finding one's self, and learning to love the life you've been given. 2am Thoughts is a poetry book similar to some titles such as milk and honey by Rupi Kaur and Buried Light by Beau Taplin.
