SYNOPSIS

Naoto and Taichi's turbulent high school love crashed and burned, but a reunion in college puts love back on their radar. Naoto and Taichi's first try at love during their high school days crashed and burned. Years later the two unexpectedly reunite on their first day of college. Tumultuous love often burns hot, and the glowing embers of their previous relationship reignite into a second try at love. Nao is hurting over his relationship with Taichi, and his new friend Nishina wants to help—but he ends up confessing his own feelings in the process! When two men are in love, the world can be a very callous place, and even friends and family sometimes hurt the ones they love. Can a couple like Taichi and Nao ever find true happiness?
