**Rust in Peace: The Inside Story of the Megadeth Masterpiece
by Dave Mustaine**

SYNOPSIS

A new book by the lead vocalist, guitarist, and primary songwriter of Megadeth, the original lead guitarist of Metallica, and the author of the NYT bestseller, *Building the Perfect Beast* details the making of Megadeth's iconic record, *Rust In Peace*, which was released in 1990, at an incredible time of flux and creativity in the rock world. Relayed by the lead vocalist, guitarist, and primary songwriter of Megadeth himself, Dave Mustaine, the book covers the process of hiring the band and supporting cast, of trying to handle the ensuing success, and ultimately the pressure of fame and fortune-which caused the band to finally break-up. In short, it's a true story of groundbreaking anti-pop that was moving toward the mainstream (or the mainstream that was moving toward the band), at a time of great cultural change, power, ego, drugs, and other vices that went hand-in-hand with Rock N' Roll, circa the late eighties-early nineties. Little did Mustaine know that the birth pangs of
