SYNOPSIS

Welcome to Fear Street. Don't listen to the stories they tell you about Fear Street. Wouldn't you rather explore it yourself? and see if its dark terrors and unexplained mysteries are true? You're not afraid, are you? Don't open that present! If only Reva Dalby had listened to that warning. But beautiful, cold Reva won't listen to anyone. Reva thinks she can have whatever—and whoever—she wants. After all, her daddy owns Dalby Department Stores. Now, someone has some surprises in store for her. Robbery? Terror? Even murder? Someone wants to treat Reva to a holiday she'll never forget. Holiday cheer quickly turns to holiday chills for Reva. Someone is stalking her, someone is trying to get to her. Her money can't help her. No one can. After all, who can you turn to when murder comes gift-wrapped?
