by Devney Perry

SYNOPSIS

DOWNLOAD One old farmhouse brought them together. It could also tear them apart. Gigi has just

uprooted her whole world to start a new life. The unexpected gift of a farmhouse in small-town Montana is just what she and her daughter need to escape big-city loneliness. The last thing she needs is attitude from the town's sheriff, the most perfectly attractive and ruggedly handsome man she's ever laid eyes on--and a complete jerk. Jess knows all about women like Gigi. Beautiful. Sexy. Scheming. She's stolen his sanctuary, the farmhouse that should have been his. But along with a face full of freckles, she's got a sharp wit and a backbone of steel--something he doesn't discover until after making a complete fool of himself. If he can earn back her trust and win her heart, he might just find the home he's always needed. *The Coppersmith Farmhouse (Jamison Valley, #1)* **popular book online top (hyyjui0986u7676)**
