Dune Messiah (Dune Chronicles #2)
by Frank Herbert

SYNOPSIS

The epic, multimillion-selling science-fiction series continues! The second Dune installment explores new developments on the planet Arrakis, with its intricate social order and strange, threatening environment. Dune Messiah picks up the story of the man known as Muad'Dib, heir to a power unimaginable, bringing to fruition an ambition of unparalleled scale: the centuries-old scheme to create a superbeing who reigns not in the heavens but among men. But the question is: DO all paths of glory lead to the grave?
