### **SYNOPSIS**

**DOWNLOAD** How do you deal with the hard questions about God, the church, and the Bible? Where can

you find a safe place to openly and honestly wrestle with your faith without being criticized or judged? If you have ever struggled with doubt, you are not alone. Writing with humor and candor out of his own experiences, and incorporating Scripture, literature, and accounts of others who have doubted, Dominic Done argues that not only is questioning normal, it is often a path toward a rich and vibrant faith. Whether your struggle is with tragedy, the difficult parts of the Bible, the intersection of science and faith, or even God's silence, you can move through doubt into a deeper, fuller faith—a faith that doesn't run from questions and the hard work of honest wrestling but instead embraces the mysteries of belief. *When Faith Fails: Finding God in the Shadow of Doubt* **popular book online top (hyyjui0986u7676)**
