### The Madness Vase by Andrea Gibson

### [SYNOPSIS](#)

**DOWNLOAD** Andrea Gibson's second book of poems, *The Madness Vase*, offers a breathtaking

continuation of the poet's most tender and honest work. Her first book, *Pole Dancing to Gospel Hymns* opened the door to Gibson's unapologetic voice, yet *The Madness Vase* manages to take an even more intimate look at the subjects of family, war, spirituality, gender, grief and hope. The poems' topics range from hate crimes to playgrounds, from international conflict to hometowns, from falling in love to the desperation of loneliness. Gibson's work seizes us by the collar and hauls us inside some of her darkest moments, then releases out the other side. Moments later, we find ourselves inhaling words that fill us with light. Her luminous imagery is a buoy that allows us to resurface from her world clutching new possibilities of our own. Throughout her career, Gibson's poems have always been a call to social justice. But this collection goes beyond awareness. Her images linger in our psyches and entreat us to *The Madness Vase*
