by John C. Maxwell**

SYNOPSIS

A masterclass led by internationally recognized leadership expert John C. Maxwell revealing the eleven shifts you should make over the course of your career to keep innovating, improving, and influencing others to the highest levels of success in today's unprecedented business climate. Change is so rapid today that leaders must do much more than stay the course to be successful. If they aren't nimble and ready to adapt, they won't survive. The key is to learn how to leadershift. In *Leadershift*, John C. Maxwell helps leaders gain the ability and willingness to make leadership changes that will positively enhance their organizational and personal growth. He does this by sharing the eleven shifts he made over the course of his long and successful leadership career. Each shift changed his trajectory and set him up for new and exciting achievements, ultimately strengthening and sustaining his leadership abilities and making him the admired leadership expert he is today.
