SYNOPSIS

DOWNLOAD Never before has there been a phenomenon like Momofuku. A once-unrecognizable word, it's now synonymous with the award-winning restaurants of the same name in New York City: Momofuku Noodle Bar, Ss̄m Bar, Ko, and Milk Bar. Chef David Chang has single-handedly revolutionized cooking in America with his use of bold Asian flavors and impeccable ingredients, his mastery of the humble ramen noodle, and his thorough devotion to pork. Momofuku is both the story and the recipes behind the cuisine that has changed the modern-day culinary landscape. Chang relays with candor the tale of his unwitting rise to superstardom, which, though wracked with mishaps, happened at light speed. And the dishes shared in this book are coveted by all who've dined or yearned to at any Momofuku location (yes, the pork buns are

here). This is a must-read for anyone who truly enjoys food. *Momofuku* **popular book online top**
