Two Boys Kissing
by David Levithan

SYNOPSIS

A 2014 Lambda Literary Award Winner
A 2014 Stonewall Honor Book
Named to the 2013 National Book Award Longlist
"You have to read this." - Rainbow Rowell, author of *Eleanor & Park*
In his follow-up to the New York Times bestselling *Every Day*, David Levithan, coauthor of bestsellers *Will Grayson*, *Will Grayson and Nick & Norah's Infinite Playlist*, crafts a novel that the Los Angeles Times calls "open, frank, and ultimately optimistic." Based on true events and narrated by a Greek Chorus of the generation of gay men lost to AIDS, *Two Boys Kissing* follows Harry and Craig, two seventeen-year-olds who are about to take part in a 32-hour marathon of kissing to set a new Guinness World Record. While the two increasingly dehydrated and sleep-deprived boys are locking lips, they become a focal point in the lives of other teens dealing with universal questions of love, identity, and belonging. From the Hardcover edition.
