SYNOPSIS

DOWNLOAD This is Oh, the Places You'll Never Go?the ultimate hilarious, cynical, but absolutely realistic view of a college graduate's future. And what he or she can or can't do about it.?This commencement address will never be given, because graduation speakers are supposed to offer

encouragement and inspiration. That's not what you need. You need a warning.? So begins Carl Hiaasen's attempt to prepare young men and women for their future. And who better to warn them about their precarious paths forward than Carl Hiaasen? The answer, after reading *Assume the Worst*, is: Nobody. And who better to illustrate?and with those illustrations, expand upon and cement Hiaasen's cynical point of view?than Roz Chast, best-selling author/illustrator and National Book Award winner? The answer again is easy: Nobody. Following the format of Anna Quindlen's commencement address (*Being Perfect*) and George Saunders's commencement address (*Congratulations, by the way*), the collaboration of Hiaasen and Chast *Assume the Worst: The Graduation Speech You'll Never Hear* **popular book online top**
