Big Nate: From the Top
by Lincoln Peirce

SYNOPSIS

Hot off the best-seller list, Big Nate is in a class by himself. This spunky 11-year-old holds the school record in detentions, but that doesn't stop him from dreaming big! Big Nate is taking it from the top; the top of the troublemaker's list! Nate Wright is eleven years old, four-and-a-half feet tall, and the all-time record holder for school detentions in school history. He's a self-described genius and sixth-grade Renaissance man.

Middle school kids everywhere can relate to Big Nate's daily battle against overzealous teachers, undercooked cafeteria food, and all-around conventionality. This collection features cartoonist Lincoln Peirce's daily and Sunday strips. Now in full-color with poster!
