**Claudia and Mean Janine**  
by Raina Telgemeier

**SYNOPSIS**

Claudia and her sister, Janine, may as well be from two different planets. Claudia, who pays more attention to her artwork and The Baby-sitters Club than her homework, feels like she can't compete with her perfect sister. Janine studies nonstop, gets straight As, and even takes college-level courses! But when something unexpected happens to the most beloved person in their family, will the sisters be able to put aside their differences? Raina Telgemeier, using the signature style featured in her acclaimed graphic novels *Smile* and *Sisters*, perfectly captures all the drama and charm of the original novel!
