by Miranda Sings

**SYNOPSIS**

From the #1 New York Times bestselling author of Selp-Helf comes the "leaked" diary of YouTube comedic personality Miranda Sings. Taped together so the world can read all about her life through her eyes, *My Diarrhe* includes pages from Miranda's baby book, poems from her years as an emotional teen, secrets from her dating life, and stories from her rise to fame. As Miranda herself says, "It has every single secret about my life in it. My first kiss, my first period, stories about secret family members, secret photos of other celebrities, etc... so don't read it!"
