SYNOPSIS

Sly Flourish's Fantastic Adventures is a book of ten short adventures for the fifth edition of the world's most popular roleplaying game. Each adventure is written for 2nd to 5th level and is designed so GMs can drop them into any fantasy campaign world. Whether you run a homebrew setting or a published game world, these adventures will fit in as either main adventure hooks or side quests to be undertaken by the characters in your game. The adventures include: The Night Blade: Ralavaz the Night Blade, a notorious bandit chieftain, has been released from prison. The local sheriff believes that Ralavaz's return means the Night Blades are back-and that the bandit chieftain must be stopped for good. The Dwarven Vault: Miners digging on Goldpeak Mountain recently broke into an ancient dwarven vault lost for centuries, and from which treasure and madness now flow. The Well of the Black Sun: The mine known as Deepfathom Well is the only source of the lucrative alchemical substance
