by Richard Paul Evans

### **SYNOPSIS**

**DOWNLOAD** The Electroclan is facing a devastating loss: Michael is missing. What's next? The battle on the island of Hades ended with a devastating explosion that left the island a smoking ruin and much of

Hatch's army dead. Hatch survived, however, and while his plans have certainly suffered a setback, he's more determined than ever to bring the world's governments under his control. But first, he wants to wipe out the resistance and capture the remaining members of the Electroclan. As Hatch's forces storm into action, it seems nothing can stand in their way. The Electroclan is divided. The voice is captured, and Michael's mother is being used as bait to lure the leader of the resistance out of hiding. Can anything—or anyone—stop the Elgen? Or is this the end? *The Final Spark* (Michael Vey, #7) **popular book online top (hyyjui0986u7676)**
