SYNOPSIS

DOWNLOAD Conditioning for Young Athletes provides coaches, instructors, teachers, and parents of future sport stars the best training advice, exercises, and programs for establishing an overall fitness base and maximizing athletic development for youth. This authoritative guide includes numerous exercises that safely increase young athletes' coordination, flexibility, speed, strength, and endurance. It contains a proven regimen geared to three developmental phases, long- and short-term training plans, and specific programs for sports such as baseball, basketball, football, ice hockey, soccer, swimming, and track and field. Tudor Bompa brings you the expertise that has helped train everyone from youth athletes to Olympic champions.

Together with Michael Carrera, he provides parents, teachers, and coaches with more than 182 exercises appropriate for children ages 6 to 18. These exercises take into consideration critical factors such as a child's developmental stage, motor functioning, and *Conditioning Young Athletes* **popular book online top**
