BREAKTHROUGH NUTRITION AND  
INTEGRATIVE CARE FOR DOGS AND CATS

Gary Richter, M.S., D.V.M.

AWARDED "AMERICA'S FAVORITE VETERINARIAN" BY THE AVMF

### **SYNOPSIS**

**DOWNLOAD** As a holistic veterinarian and scientist, Dr. Gary Richter helps dog and cat owners to navigate the thicket of treatment options and separate the fact from the fiction. He wants us to use what actually works, not just what Western science or alternative medicine say ?should? work. This multifaceted

approach to health is known as integrative medicine. Dr. Richter examines traditional medicine from many cultures alongside modern medical techniques, describing the best of complementary care and the best of conventional veterinary medicine. Every treatment he recommends has the backing of scientific research or years of successful outcomes in his clinical practice. After explaining the treatment, he offers specific recommendations for an integrative approach to common diseases, including allergies, skin conditions, diabetes, heart disease, and cancer. A holistic approach to health includes nutrition, as it sets up the foundation for your pet's health. Dr. Richter cuts through the hype in *Integrative Medicine for Dogs & Cats: Combining Nutrition, Holistic Care, and High-Tech Solutions for Longer, Healthier Lives* **popular book online top (hyyjui0986u7676)**
