**Moonology Oracle Cards
by Yasmin Boland**

SYNOPSIS

The phases of the moon and the position of the stars have a powerful effect on our everyday lives.

Astrologer Yasmin Boland is an expert on the moon's influence on our lives and knows the tricks of working with its phases to yield positive results. Following the popularity of her book *Moonology*, she has created this oracle deck to bring more answers and guidance for those who feel a connection or are drawn to working with the moon's natural magic. The cards in the deck provide answers to the user's questions about their life as well as offering teachings on moon phases and moon positions. The cards will be named after a moon phase (full moon, new moon, quarter moon, crescent moon, super moon), or moon positions in the starsigns or houses. Each card will show how the energy of this moon position relates to an area of life, including life goals, communication, relationships, new beginnings, health, love, work, dreams, healing, success, family, home, money, travel, and friends.
