by Lee Child**

SYNOPSIS

Librarian's note: This is an updated cover image for Kindle. See previously published cover here. #1 NEW YORK TIMES BESTSELLER Everything starts somewhere. For elite military cop Jack Reacher, that somewhere was Carter Crossing, Mississippi, way back in 1997. A lonely railroad track. A crime scene. A cover-up. A young woman is dead, and solid evidence points to a soldier at a nearby military base. But that soldier has powerful friends in Washington. Reacher is ordered undercover to find out everything he can and

then to vanish. But when he gets to Carter Crossing, Reacher meets local sheriff Elizabeth Deveraux, who has a thirst for justice and an appetite for secrets. Uncertain they can trust each other, they reluctantly join forces. Finding unexpected layers to the case, Reacher works to uncover the truth, while others try to bury it forever. The conspiracy threatens to shatter his faith in his mission?and turn him into a man to be feared.Don?t miss Lee Child?s short story ?Not
