**The Art of Raising a Puppy
by Monks of New Skete**

SYNOPSIS

The classic bestseller that established the Monks of New Skete as America's most trusted authorities on dog training, canine behavior, and the animal/human bond, updated to include the latest developments in canine health. In their two now-classic bestsellers, *How to be Your Dog's Best Friend* and *The Art of Raising a Puppy*, the Monks draw on their experience as long-time breeders of German shepherds and as trainers of dogs of all breeds to provide--brilliantly distilled--the indispensable information and advice that every dog owner needs. This new edition of *The Art of Raising a Puppy* features new photographs throughout, along with updated chapters on play, crating, adopting dogs from shelters and rescue organizations, raising dogs in an urban environment, and the latest developments in canine health and canine behavioral theory.
