SYNOPSIS

From ESPN: The most complete and up-to-date pro football reference ever compiled! Weighing in at a whopping 1,536 pages, this updated edition of the best football encyclopedia available features lists of all players ever drafted by the NFL and AFL in the amateur drafts since 1920, expanded defense and specialists registers, all-time leaders in single-game performances, and all-time rankings of players by Pro Bowl and All-Pro selections. A special essay on the history of the NFL on television is sure to delight fans of the gridiron. And, of course it includes all of the resources, fact listings, and records true devotees expect: comprehensive year-by-year and team-by-team rushing, passing, receiving, kicking, punting, sacks, and returns statistics for all players in NFL history; far-reaching details on football history, award recipients, draft picks, and loads more stats on teams, coaches, and stadiums.
