Three Kings, Ten Mysteries: The Secrets of Christmas and Epiphany
by Grzegorz Gorny

SYNOPSIS

Were the Three Kings, or Magi, who the Bible says traveled to Bethlehem in search of the Christ Child real, historical figures or simply the stuff of legend? For generations, the Magi have inspired art and music. Epiphany, the important Christian feast twelve days after Christmas, is a national holiday in many countries throughout the world. What lies at the heart of this celebration and is it still relevant today? Turning to discoveries made by historians, scientists, and theologians, Polish author Grzegorz Gorny answers these questions. With gorgeous four-color photographs on every page, he traces the mysteries of the Magi from the Gospel of Matthew to modern-day astronomy to revived Epiphany celebrations on the streets of secularized European capitals."
