SYNOPSIS

The Native Spirit Oracle Cards profoundly deepen your connection to the mysterious, natural forces around you. Created by Denise Linn, an enrolled member of the Cherokee tribe and the bestselling author of the books *Quest* and *Kindling the Native Spirit*, this 44-card deck with companion guidebook holds the keys to unlocking a wondrous realm where you'll discover what destiny has in store for you. These oracle cards were birthed at the base of a sacred mountain, and they carry the mystical energy that surrounded their birthing. Each card opens a gateway so that you can powerfully and immediately discern your own unique, secret messages from the Universe.
