Simple Green Meals : 100+ Plant-Powered Recipes to Thrive from the Inside Out
by Jada Sellner

SYNOPSIS

As a bestselling author and co-founder of the widely popular website Simple Green Smoothies, Jen knows the impact food can have on your body, your health and your dreams. Before switching to a plant-powered diet, Jen Hansard felt exhausted, stressed-out and frustrated with her body. After a wake-up call from her husband, she set off on a mission to put foods in her body that would allow her to go after the things that mattered most. Embracing nutrient-dense, nourishing whole foods gave her the vitality to do more than just survive each day ? she was able to live out dreams that had been long buried. From creating a backyard family farm, to flying an airplane, to running 100km in a single day, to camping and hiking the U.S. National Parks. Through her journey came her mission: to help others ?fuel their passion? by embracing delicious plant-powered meals to help them look and feel their best. Now in Simple Green Meals, she branches out to offer quick, tasty, vegetarian meals for the
