Heroes, trained and licensed to protect and defend the public against supervillains, stand above all the rest. However, not everyone can be an

official hero, and there are those who would use their powers to serve the people without legal sanction. But do they fight for justice in the shadows or for reasons known only to themselves? Whatever they fight for, they are called?vigilantes.Koichi Haimawari couldn?t make the cut to become an official hero, so he uses his modest Quirk to do good deeds in his spare time.
