### SYNOPSIS

**DOWNLOAD** The Art of Mulan was only Jeff Kurtti's fourth published work, and one of which he remains enormously proud. He is honored to see this important and significant story in print again for new generations, along with some stunning additional visual development artwork and new foreword by Thomas Schumacher. Inspired by a two-thousand-year-old Chinese legend, Mulan was the first animated feature film to be primarily produced by Disney's animation studio at Walt Disney World in Florida.
