SYNOPSIS

A beautiful bride... Skylar Brown is set to marry the man of her dreams. He's everything she's ever hoped for in a man: smart, intelligent, sexy and madly in love with her. Or so she thought. When she meets her groom at the altar, she's in for a surprise. The groom said no... Ashley Hollingsworth thought Skylar was the one for him until he receives a mysterious tip that says otherwise. After hardening his heart against Skylar he leaves her standing at the altar on their wedding day. A heart torn in two... Devastated after being publicly dumped by the love of her life, Skylar is left to pick up the pieces of her shattered world. But what will Ashley do when he runs into Skylar again and learns that she wasn't the only one he left at the altar?
