**Kirk's Fire Investigation**  
by David J Icové

**SYNOPSIS**

The Eighth Edition of Kirk's Fire Investigation is included in required and supplemental fire investigation professional training and certification programs by the National Fire Academy, the International Association of Arson Investigators (IAAI), and the National Association of Fire Investigators (NAFI). This text blends both academic information for the student and real-world applications for the practicing fire safety professional to become the best in their field. The leading Fire Investigation textbook on the market With today's fire investigators being held to higher standards than ever before, it's crucial that they gain a thorough understanding of fire protection and investigation engineering concepts, technology, and field analysis. The Eighth Edition of Kirk's Fire Investigation blends the Seventh Edition of Kirk's with the Third Edition of Forensic Fire Scene Reconstruction to help investigators bring their knowledge and skills to the next level.
