The Freedom of Self-Forgetfulness
by Timothy J. Keller

SYNOPSIS

What are the marks of a supernaturally changed heart? This is one of the questions the Apostle Paul addresses as he writes to the church in Corinth. He's not after some superficial outward tinkering, but instead a deep, rooted, life-altering change that takes place on the inside. In an age where pleasing people, puffing up your ego and building your résumé are seen as the methods to "make it", the Apostle Paul calls us to find true rest in blessed self-forgetfulness. In this short and punchy book, best-selling author Timothy Keller, shows that gospel-humility means we can stop connecting every experience, every conversation with ourselves and can thus be free from self-condemnation. A truly gospel-humble person is not a self-hating person or a self-loving person, but a self-forgetful person. This freedom can be yours?
