SYNOPSIS

DOWNLOAD This workbook accompanies *The New Testament in Its World* by N. T. Wright and Michael F. Bird. Following the textbook's structure, it offers assessment questions, exercises, and activities designed to support the students' learning experience. Reinforcing the teaching in the textbook, this workbook will not only help to enhance their understanding of the New Testament books as historical, literary, and social phenomena located in the world of early Christianity, but also guide them to think like a first-century believer while reading the text responsibly for today. *The New Testament in Its World Workbook: An Introduction to the History, Literature, and Theology of the First Christians* **popular book online top**
